

Project: Logo Design for Weight Loss Blog

Description:

Hello and thank you for your interest in my project. I'm in the process of revamping my Weight Loss Blog and I need a logo; however, this is a really simple logo project because I have the symbol that I want to use which can be found [here](#). You don't have to use this exact image, but that is an option.

Also, feel free to see my [blog](#) to get an idea of what I represent. If you're really interested in my weight loss story, you can read up and see my CNN interview [here](#).

OK, the logo itself must contain the above symbol along with the title: MR.LOW BODY FAT.COM with the tagline: FEED YOUR BRAIN TO LOSE THE WEIGHT

To bid on this project, I need for you to send me a link to the last five logo projects that you have developed before I respond to your PMs. Also, I want to have at least three examples and the number of revisions can be negotiated.

Above all, I'm looking for someone to design a simple, yet creative design for me.

Budget: \$30 - \$250

Deadline: July 5, 2008
