If RM Jobs evaluates you to be pre-qualified for entrance into our job network you will receive a phone call from a member of our placement team. Our highest paying jobs require you to sell or install home security products or pest control services and are located outside of Utah and Idaho. If you are invited to go through the interview process and accept a job offer it will then be your opportunity to earn \$15,000 to \$20,000 this summer.
