Template theme057 is

The screenshot shows a Drupal website with a dark theme. The header features the site name 'clever.biz' and a navigation menu with buttons for Home, Book, News, Blog, Links, and Contacts. Below the header is a breadcrumb trail: Home » Blogs » admin's blog. A search bar is located on the left. The main content area is dominated by a large banner image of a dartboard with three darts hitting the bullseye. The banner text reads 'Special solutions & services for your business' with a 'CLICK HERE' button. To the left of the banner is a navigation sidebar with links to Home, Our Forum, News, Blog, Solutions, Book, Advanced search, FAQ's, Contact Us, and Recent posts. Below the sidebar is a 'Who's Online' section showing 0 users and 1 guest. A poll titled 'What do you think about us?' is displayed with four categories: Super (50%), Good (24%), Normal (25%), and Bad (1%). The total votes are 1587. The main content area below the banner shows a post titled 'Aliquam fringilla nisl.' with a large block of placeholder text. To the right of the main content is a 'User Login' section with fields for Username and Password, a 'Log in' button, and links for 'Create new account' and 'Request new password'. Below the login section is a 'Popular' section listing several links.

Current Status –

Drupal 5.6 is installed with custom theme named theme057. One comment was added using AgilAdmin as user and should be removed.

Requirements –

1. Drupal portal needs to be bilingual with Spanish as default with the option of switching to English.
2. Reduce the logo file so that the header panel can include 6 buttons as in the image of the theme.
3. Header buttons as well as navigation nodes should be:
 - a. Inicio – Home
 - b. Noticias – News
 - c. Foros – Blog
 - d. Videos – Videos
 - e. Soluciones – Solutions
 - f. Contáctenos – Contact Us
4. Enable user authentication module
5. Add note on main panel stating “You must login to participate in the blogs” / “Debe hacer login para participar en los foros”
6. Other sections that should be enabled,
 - a. Menu – Navigation
 - b. Login - Login
 - c. Quien está en línea - Who’s online
 - d. Sondeos – Poll
 - e. Popular/Popular
7. Replace all copyrights notes to include the name **clgpr.com**
8. Remove all other names and wherever possible switch the name to **AgilEmpresas**
9. Add contact page to include the same information as in <http://www.clgpr.com> and select Contacts/ Primary Contacts, replacing the name of the company to **AgilEmpresas**.
10. All communication should be linked to e-mail **itadmin@agilempresas.com**
